

REMARKS

Claims 1, 2, 4 and 5 remain pending in the present application. Claim 3 has been cancelled. Claims 1, 2 and 4 have been amended. Basis for the amendments can be found throughout the specification, drawings and claims as originally filed.

The Examiner has objected to Claims 1 and 2 in view of various informalities. Claims 1 and 2 have been amended to overcome the Examiner's objections and Applicants respectfully request withdrawal of the same.

Claim 1 has been amended to include Claim 3. Thus, Claim 1 is believed to be patentably distinct over the art cited by the Examiner. Likewise, Claims 2, 4 and 5 which depend from Claim 1 are patentably distinct over the art cited by the Examiner.

In light of the above amendments and remarks, Applicants submit that all pending claims are in condition for allowance. Accordingly, Applicants respectfully request the Examiner to pass the case to issue at his earliest possible convenience. Should the Examiner have any questions regarding the present application, he should not hesitate to contact the undersigned at (248) 641-1600.

Respectfully submitted,

Dated: January 27, 2004
